

V & B JUNE 2013

Hola!

Hurrah! At last summer seemed to arrive for our day at Thorpeness, well until the end of the round when it did start to get cold again. Well done Carol Cooke for organising such a great day. We had 22 players in all, five teams of four and two playing nine holes at the end. David Sears managed his first 18 holes, half swings and a buggy and came in the prizes!! Beware the injured golfer. Bob Webb fresh from his Gall Bladder operation couldn't play but joined us for the meal. We were delighted to welcome a new member Yvette Douglas, present captain at Royal Norwich on her sixth day running of golf. Obviously got her in the right swing as she was in the winning team. We were also delighted to welcome back, Susan Seabrook, Merell Southgate and Godfrey Camilleri. The Winners were Carol Cooke, Yvette Douglas, Deiter Koderisch and the Ghost. (Me) with 94 points, Second with 93 points Pat Edworthy, June Koderisch, Winter Rose and Clive Rowe. Third Gillian Gardener Smith, Pearl Webb, Michael Trower and David Sears. The day ended with an enjoyable meal of fish and chips and salad.

Autumn Break Hanbury Manor Hertfordshire on 11, 12, 13 October.

Price per person for two sharing a room is £314 for two nights, three day's golf and two three course dinners. I'm afraid the single supplement is expensive at Hanbury Manor and the price for the break is £474 for single occupancy.

Michael Brown has arranged an Autumn Golf and Wine Tour 24 Oct - 2 Nov in Douro Valley. David and I are going. I am sending details in separate attachment. Please let me know if interested.
